

Supply List Beginning Knitting Amy Honchell

Basic supply list:

- **Straight Knitting Needles** size <u>US #8 / 5mm</u> or <u>US #10 / 6mm</u> (I prefer wood or bamboo knitting needles because they grip the yarn a little bit and are light weight to work with, but metal and plastic needles are OK)
- One skein of a light, solid colored (white, light blue, not variegated) **Practice Yarn** in DK or Worsted weight (this can be inexpensive, acrylic yarn or something you already have in your stash) Red Heart Super Saver is really affordable and one skein is 364 yards of yarn. Another affordable option is Loops & Threads® Impeccable[™] Yarn Solid which has 285 yards per skein and is sold at Michaels.
- Scissors
- <u>Stitch markers</u> or scrap yarn (the practice yarn can be used)
- Susan Bates Metal Knit-Chek Gauge Tool, or you can use a ruler or measuring tape
- **Project Yarn** (200 yards worsted weight for hat *or* 400 yards worsted weight yarn for scarf)— more details to come
- Pencil
- <u>Plastic Yarn Tapestry needle</u> or <u>metal darning needle</u> (a large, blunt sewing needle) for weaving in the ends—the eye of the needle must be big enough for the yarn to go through.

Basic knitting patterns for the hat and scarf projects will be provided as PDF files by the instructor but students are welcome to bring their own. Patterns should be printed out by the students.
