

Youth Art Parties

Painting & Drawing

Under the Sea Watercolor Painting Ages 4-6

Design an underwater scene with aquatic flora and fauna with oil pastels and watercolors. Practice foundational drawing skills and watercolor techniques to create a vibrant underwater painting.

Glow-in-the-Dark Night Sky Painting Ages 6-9

Most popular!

Paint a stunning night sky with acrylics! Add stars, comets, and other cosmic elements using glow-in-the-dark paint, and leave with a universe of your own making to be admired day and night.

'Starry City' Van Gogh Inspired Painting Ages 9-12

Create your night sky masterpiece inspired by Van Gogh's *Starry Night*! Enhance your painting skills by practicing blending and layering techniques to add textures and details.

Still Life Drawing Ages 12-14

Learn the art of still-life! Observe various objects in real life and practice shading and blending to capture their unique details. **Note:** This project is also available as an acrylic or watercolor painting.

Mixed Media + Collage

Henri Matisse Collage Ages 4-6

Learn to "draw with scissors" like the famous artist Henri Matisse! Use colorful paper to cut out abstract shapes to create a vibrant collage.

Mixed Media Flower Collage Ages 5-8

Tulips, roses, daffodils, and more! Using colorful paper, printed patterns, and recycled materials, participants will learn basic printmaking and collage techniques to create a beautiful flower arrangement!

Abstract Self-Portrait Ages 9-12

Calling all Picassos! Use construction paper, acrylic paint, and recycled materials to create a Picasso inspired abstract self-portrait.

Sculpture

Mini Eats + Treats Ages 5-7

For chefs in the making and food enthusiasts alike: create miniatures of your favorite foods using Sculpey (polymer clay). Sculpey creations are baked and taken home at the end of the event.

Mythical Creatures Ages 7-11

Dragons, mermaids, griffins, and more! Create your own mythical creature using Sculpey (polymer clay). Sculpey creations are baked and taken home at the end of the event.

Youth Art Parties

Ceramics

Pinch and Coil Cupcakes Ages 6+

Most popular!

These little cupcakes are good enough to eat! Create a ceramic cupcake and frosting lid using pinch-pot and coil methods.

Participants will learn basic hand building and decorative techniques to enhance their sculpting skills and express their creativity in clay.

Pinch-Pot Forest Animals Ages 6-9

Owls, deers, squirrels, and more! Learn basic hand building techniques to create a charming forest animal of your choice. This project will introduce pinch-pot methods, slip application, and the scratch-and-attach technique.

Clay Portraits Ages 9-12

Faces, expressions, and emotions! Participants will explore essential hand building techniques to sculpt a unique clay portrait of a person or character of their choice. This project will introduce slab construction, additive sculpting, and smoothing techniques to bring their creations to life.

Outer Space Aliens Ages 6-9

Extravagant extraterrestrial beings! Learn how to design a unique alien figure using pinch and coil methods. Participants will learn how to add texture and use slip to attach parts of their creations.

Note: Please allow 1-2 weeks for all projects to be fired in the kiln. Party hosts will receive an email or call notification when all projects are wrapped, labeled, and ready for pick-up. Party hosts must pick-up all projects within 2 weeks of receiving this notification.

Paw-some Pets Ages 6+

Paw-some pet sculptures! Sculpt a unique ceramic representation of your beloved pet—whether it's a dog, cat, or any furry friend! Participants will learn pinch and coil techniques while exploring ways to add texture and use slip to attach parts of their creations.
